About the Show

This is the **4th year for Drama Camp**. Centenary UMC looks forward to working with the young people again this year and helping them to discover their God given talents on the stage!

This year's production is ***GPS, God's Plan for Salvation*** by Betty Clydesdale. It is a musical set in the framework of a young person training for their driver's license. Along the way the young person learns from the driving instruction and friends what it means to follow God's plan for salvation. The road to salvation is similar to the roads we travel in life, and is full of twists and turns. Without a map or a plan we could become lost. In our cars we may have a GPS system that directs our car to the proper location and in our lives we have God who has laid out a plan for our salvation we only need to follow it to avoid being lost. The 11 songs offer solos and ensemble pieces; there are opportunities for rhythm and choreography as well as speaking and non-speaking parts.

About the Camp

This drama camp is designed for children entering grades 5 through 8 interested in both on-stage and off-stage theatre skills. **NO EXPERIENCE NECESSARY**. The campers will participate in acting, singing, movement, set building, costumes, and lighting all working toward a final full-scale production of "**GPS, God's Plan for Salvation**."
